Dear Eric Newman,

The following list is of **SCALES (PART I)** we currently have in our center. All are in very good condition unless otherwise noted.

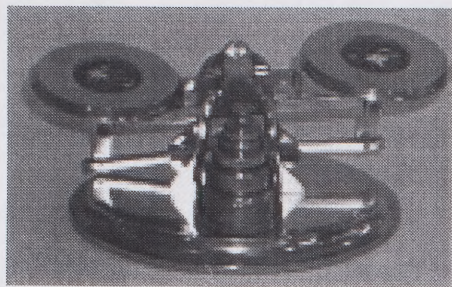

1. Brass Postal Scale with blue enamel flowers and green leaves on top of the oval measuring plates. Six weights are stacked "pyramid" style in front of the balance. Felt bottom. (V10). 3 1/2"H. \$525. (NBB 06).

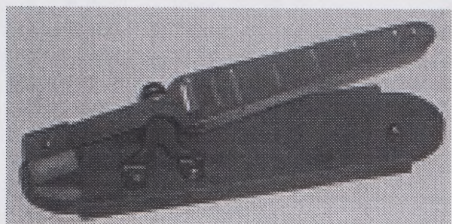

2. Early English brass Postal Scale with a black and green marble base and felt bottom. There is a measuring plate hanging off to one side with a slide weight on the top. (V10). 6 1/2"H. \$525. (NBB 08).

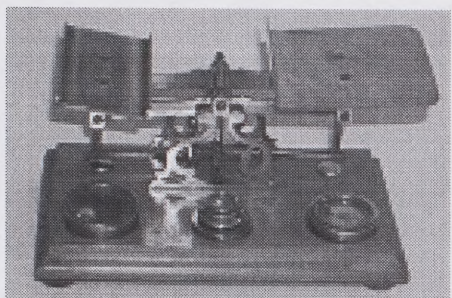

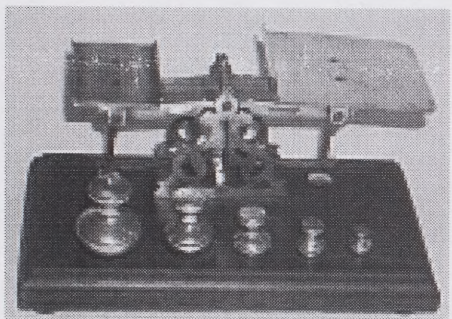

3. Brass Pietra Dura Postal Scale with white, blue and red Pietra Dura flowers with leaves on a black background in the round measuring plates. Five weights are stacked "pyramid" style in front of the balance. Felt bottom. (V10). 3"H. \$630. (NBB 010).

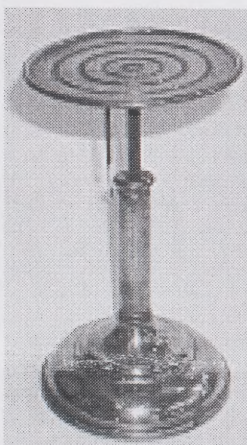

4. Brass Coin Scale with wooden base. Arrow shaped. J. T. McNall, inventor. The coins fit in slots on the triangular end. (V10). 2 3/4"H. \$450. (NBB 028).

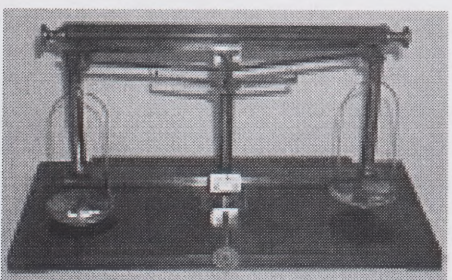

5. This Brass English Postal Scale sits on a lightly colored wooden base with feet. The measuring plates are rectangular and uneven in size. There are six bowl-shaped weights arranged in three places in the wooden base. (V10). 4 1/2"H. \$275. (NBB 013).

6. Brass Bell Weight Postal Scale. This piece sits on a dark wooden base with feet on the bottom. The two measuring plates are sized differently. There are five bell-shaped weights placed in the wood in front of the scale. (V10). 4 1/2"H. \$345. (NBB 01).

7. L. E. Brown Brass Scale with a circularly designed grate bottom. It is cylindrical in shape with a round measuring plate and a round base. (V10). 11"H. \$250. (NBB 017).

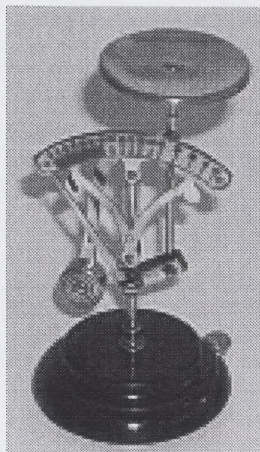

8. Brass English Wool Scale. This piece sits on a dark wooden base. The balance tray height is adjustable and is 9" at its lowest. Measures in ounces. (V10). \$530. (NBB 019).

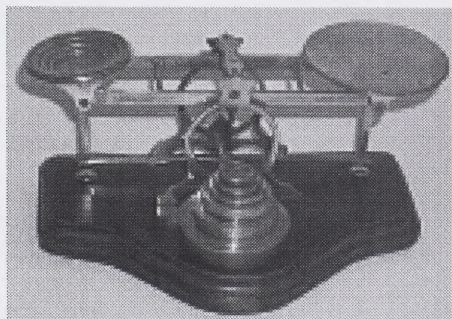

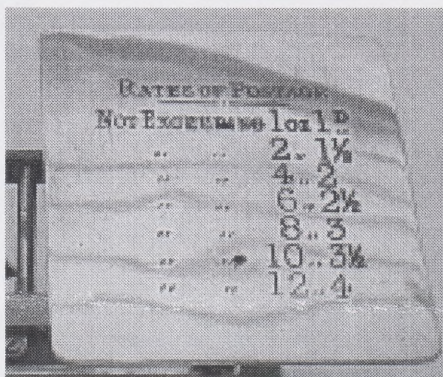

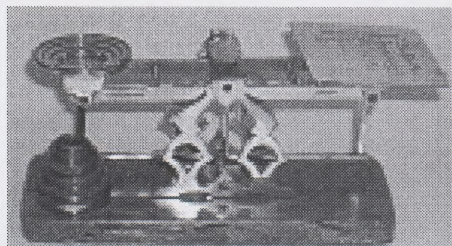

9. Flip Weight Postal Scale. Brass plate and flip weight measure in grams on a black and white iron base. (V10). 9 1/2"H. \$265. (NBB 014).

10. Brass E. W. French Postal Scale with dark wooden base. Circular measuring plate with lever weight. (V10). 6 1/2"H. \$385. (NBB 016).

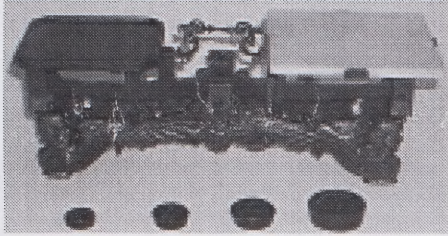

11. Large Mordan Brass Scale with dark wooden base. The measuring plate for the weights is layered to stack the larger sized weights. The other one is flat. The six weights are stacked in front of the scale on the wood. (V10). 4 1/2"H. \$350. (NBB 04).

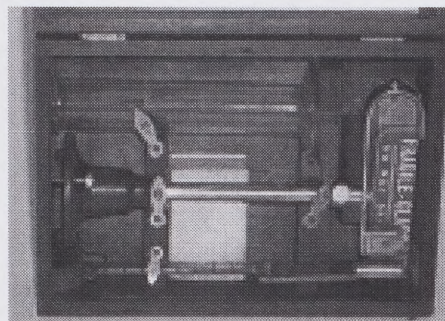

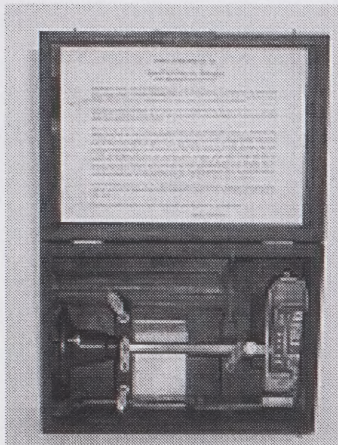

12. Brass Mordan Scale. This piece is set on a light green and black marble base. One weighing plate is layered to fit the five weights that are stacked on the marble. The other weighing plate is flat and is inscribed with the words "Rates

of Postage."  
Felt bottom.  
(V10). 4 1/2"H.  
\$535. (NBB 02).

13. Kissing Bird Scale with Weights. One measuring plate is made from white marble and the other is made from iron. The base is intricately designed with arrows and winged busts. It is painted red and gold and is accompanied by four black weights. (V10). 5 3/4"H. \$270. (NBB 020).

14. Specific Gravity Scale. This piece fits in a wooden latching box and is accompanied with the directions for setup and use. Contains glass, brass and wood. Henry Troemner is the maker. (V10). 10 1/4"H. \$270. (NBB 018).

15. Grain Scale. This piece has a brass bucket for the grain that hangs off one side of the weight arm. The arm is suspended by a ring and the weight slides to measure the grain. (V10). 13 1/2"L. \$265. (NBB 029).

16. Howard and Davis Postal Scale. A black iron base holds the rectangular brass measuring plate and supports the slide-weight arm. (V10). 14 1/2"L. \$300. (NBB 039).
